OLD BUSINESS

A big **Thank You** to everyone who assisted with the Christmas Party for 2005. Wasn't it a wonderful event. The staff at the Red Barn did their best to accommodate us. Thank you Donna and Mike Means for opening your home for the pre and post Christmas party. Donna and Mike are two very wonderful host and hostess, making the evening relaxed and fun, with more food and drink than one

could imagine. Thank you to everyone for coming and sharing the holiday season together.

Treasurer, Kim Manna, was not at the meeting for an update of charity donations. At the February meeting we will look into the money that has already been donated. Then we can decide if we should look into other charities for needed donations. The club received a Thank You card from the "Sharing Center, Inc." for our \$250. donation.

It was brought to our attention that many members have not renewed.

SECRETARIES CORNER

Recruit Someone

Some of you are planning to start your quest to get fit and lose weight right after the beginning of the New Year, and that's great. Here's a suggestion: recruit one or more people to do a program with you. Let's face it--there are times when we all weaken, even in only 30 days. If you have others who are also doing the program, you can depend on them to help you through the tough times. Odds are they can be strong when you're weak and vice versa.

Just one word of caution: you don't want someone who will act as an enabler: "It's just one meal or one dessert--what can it hurt?" I've been one myself at times, I'm sorry to say. That's why all of you have to develop the attitude that you'll support each other in a positive way. One meal, one workout really isn't that big a deal but if you start making exceptions, it can lead down the path to your old lifestyle.

Recruit someone to start down the path to a better life with you because there's strength in numbers. Better Life and better health is our reason for being.
