ADVERTISING REPORT – Ed Stefanski and BJ Messier – No Report

QUARTERMASTERS REPORT –

Tom Andrekus

Artwork for the flyer and clothing is still being worked on. Orders for clothing need to be in by April meeting. Present T-shirt design was well done. Excellent job Tom!

OLD BUSINESS

Chevy/Vette Fest is being held at the McCormick Place South Hall, Chicago, April 1st and 2nd. More information can be obtained from the internet @ <http://www.mccormickplace.com/>.

Steel Car Run for April is being worked on by Tom Andrekus and Mike Means. Details for this run will be given at the March business meeting.

NEW BUSINESS

Chris Nielsen has spoken with Ray Gallo of Hartnell and they will sponsor the SEWCC Car Show again this year. Chris will be meeting with Ray again to go over a few items.

Eva Stefanski brought up the idea of having a bake sale at the car show to raise money for military families. Due to the many jobs and extreme amount of activity of the car show, the idea has been tabled.

Another topic brought up was the fact that many attendees of the car show do not know they can vote for "Peoples Choice". It was discussed putting up a banner near the ballot box or some other means of notification so attendees are informed and can take part in voting for their favorite car.

Tom Walther received a notice from Mark Goodman of Lowers Car Club of WI offering our club members an opportunity to "Drive the Legendary Milwaukee Mile" May 7th, 2006. See more information below in upcoming events you may be interested in.

Following is a rough draft of this years SEWCC upcoming events:

SECRETARIES CORNER

A NOTE FROM PRO TEAM CORVETTE SALES

As of 2006, the free yellow bags given out at car shows will no longer be available from Pro Team Corvette due to increasing costs in production and shipping.

Beth Waisner, Events Coordinator, writes:
"While I have your attention, I would like to tell you about a neat project that ProTeam is involved with and the charity that it will benefit. The Project surrounds an amazing Corvette known affectionately as the

"Last"™ Corvette -----A 1967 Corvette Silver Coupe equipped with a 427----factory air --- factory side exhaust, and much more. Its VIN is #22940 and it is the "Last"™ Midyear ever produced. Learn more about this car at TheLastCorvette.com. The charity chosen to benefit from this venture is the Chip Miller Charitable Foundation. The Chip Miller Charitable Foundation was chosen out of respect for Chip Miller as a friend and Corvette enthusiast and to the legacy he left behind. Read more at TheLastCorvette.com/ChipMiller.html."

This letter from Beth is in the SEWCC Secretaries folder. The letter is lengthily, so if anyone is interested in reading more of the the letter in its entirety, contact MaryAnn at the next business meeting.
