MONTHLY BUSINESS MEETING

April 2, 2006

The regular monthly meeting was brought to order at 7:01PM, Sunday, April 2nd at Ron's Place, Kenosha, WI by President Dick Krueger. Nine (9) SEWCC members present, i.e. Dick and Connie Krueger, Tom and Sue Walther, Ed and Eva Stefanski and Tom Andrekus.

SECRETARYS REPORT –

No Board Meeting – No Report

Connie taking notes for MaryAnn, who is at Chevy/Vette Fest. This is greatly appreciated Connie. **Thank You Much.**

TREASURER'S REPORT – Same as last month. Kim came late and added another total to the previous amount reported in new/renewal memberships from the Membership Party and mail.

ADVERTISING REPORT – Ed Stefanski had no update. BJ has been busy and they have not gotten together yet. Tom Walther asked if anyone knew if BJ had sent anything to any of the magazines. Dick and Connie said they thought BJ had mentioned some contacts at an earlier time. We need to follow up on this.

QUARTERMASTERS REPORT –

Tom Andrekus reported he will be sending in the special orders for car show t-shirts, sweat shirts and tank tops along with the usual club order for sale of about 125 t-shirts this week. The embroidery order will be sent in after the May 7th meeting. There are

12 items needed for the order price break. The usual Blue Jean shirts, polo shirts and jackets are available as well as other items from a catalog Tom has. Contact him if you are interested. Dick said a "Big Thanks" again to Tom for his work on the car show shirt design. It looks great!!

OLD BUSINESS

President, Dick Krueger, received a Letter of Resignation from our Vice President, Chris Nielsen and also a withdrawal from the club for both Christ and Christine Nielsen. We are sorry to loose such active people. Tom Walther has agreed to be the liaison to Hartnell/Ray Gallo for the car show. Jeannie Schneider agreed to look into the "military" contacts we have been considering for the car show.

The membership party was attended by about 19 people and a good time was had be all. The evening ended by about 10:30PM which is rather early compared to some parties. Some past members, Tom and Diane Penzkowski, joined us.

It was brought up that the membership password for access on the website had not been changed in sometime. It was decided this action should be taken this month. So, **AFTER THIS NEWSLETTER IS RELEASED**, you will need to call Kim Manna, Dick or Connie Krueger, BJ or MaryAnn Messier, Tom or Sue Walther or Tom Andrekus to find out the new access password for club members on the website. Phone numbers are at the top of this newsletter.

NEW BUSINESS

Steel Car run is set to leave the 75th Street Inn on Hwy 50, Paddock Lake, WI at 1:30PM on Saturday, April 8th. Tom Andrekus and Mike Means have set up a few stops, sticking close by with dinner in Twin Lakes. Call either of them for more information. (since this newsletter has come out after this run, this event turned out to be a nice one ending for dinner at Niko's in Twin Lakes, WI. A surprise 50th Anniversary Celebration for Donna and Mike Means was planned by Lori Andrekus at Niko's.

Tom Walther reported that Chevy/Vette Fest has moved to the South Building. Tom indicated there are a few growing pains to iron out. The building is bigger, but it seemed the swap was smaller and more scattered. However, there were 375 cars on display.

Dick Krueger brought a few application forms that were printed off for "Vettes On The Rockies". The web site is www.lgcacorvette.org for anyone interested. The activities begin Thursday, July 27th and run through the big street car show on Sunday, July 30th. Dick and Connie have reservations made and will be leaving on Tuesday, July 25th. Return trip home is on your own.

Kim asked if it was too early to start looking for a Christmas Party place. The general feeling is NO, if we want our choice of dates. A quick review of the Saturdays in December gave the 16th as a good date to try to get a place. Anyone with any ideas should make the appropriate inquiries at restaurants and report back to the club. Eva stated she sure like last year's arrangements at the Twin Lakes Country club.

CAR SHOW The original car show flyer designed by Chris Nielsen is in Red, White and Blue. Checking a few places for printing 1500-2500 fliers, Connie found a cost of \$750-\$1295. This is not a cost the club can take on. It will decrease our donation money for next year. The printing done in black and white on neon paper is close to \$175 and more economical. Kim suggested trying other places. We have club members with copying abilities, such as Ken Yance. Tom Andrekus said he would also talk to Mike Means. Ed and Eva said they may know of someone also. All contacts are to get quotes and get back to Connie and Dick Krueger to decide where the flyers can be done and ready within a couple weeks.

Kim Manna said she was at a meeting and confirmed that "some" cheerleading squad would be selling food for the car show. If the Bradford squad comes up with a problem, one of the other Kenosha schools would take over.

A motion was made by Tom Walther and seconded by Eva Stafanski to adjourn. The meeting adjourned at 7:28PM.
