MONTHLY BUSINESS MEETING

July 1, 2006

The regular monthly meeting was brought to order by President, Dick Krueger at 12:50PM on Saturday, July 1st after the Twin Lakes Libertyfest parade at the home of Jim and Terese Rutkowski. SEWCC had a big turnout for the meeting and parade, with approximately 20 corvettes in the parade. 24 members were present at the meeting. New members introduced were Mike and April Webb and Bonnie Garcia. Welcome to our club! It was a beautiful, sunny day with many different dishes provided by the members. Jim and Terese cooked hamburgers, brats and dogs on the grill. Hmmm! Delicious! **A big "Thank You" to Jim and Terese for opening you beautiful home to the club and being such a wonderful host and hostess to this event. It is greatly appreciated by all who attended.**

OLD BUSINESS

The June 24th "Deck Run" turned out to be a big success. The run started at the 75th Street Inn on Highway 50 in Paddock Lake, continued to El Puerto in Fox Lake, on to Mad Dan's, then J. Fitz Woody ending with dinner at the Red Barn, all in Twin Lakes. All in all it was a nice day, 10 cars and 19 club members. We must admit that the planning of this run was exceptional. **Thank You Mike Means for the time you put into this great "Deck Run" and day.**

Bloomington Gold, St. Charles, IL was held June 16-18. Tom and Sue Walther spent three days at Bloomington Gold. **Their '66 Blue Coupe received the "Survivors Award"**. This is a very prestigious award and is a great honor to have. To qualify, the car must be 20 years old or older, with original parts. The Walther's coupe is 40 years old. To qualify it first had to pass a road test. Having passed that it was judged on and given this award. **We applaud the Walther's for maintaining their '66 coupe in its originality.**

July 13-16th is a proposed one day or overnight run to Road America-Vintage Races. Meet at McDonald's, I-94 and 20, by 7:30AM. Room reservation deadline is pass so anyone attending this function needs to reserve their own room. Part of the feature this weekend is the celebration of 50 years of Corvette Racing

NEW BUSINESS

Tom Walther has agreed to assume the open position of Vice President and will take over the 2006 Car Show. Tom said he has a friend who has a military vehicle who may have contacts to get more military vehicles to the show for display purposes.

Connie Krueger suggested having this years Holiday function at Harbor Lights. John Lee will have menu for the group to go over later and said he would personally take care of the booking fee. A motion was made by Connie Kreuger and seconded by Tom Walther to hold this year's dinner on Saturday, December 16 at Harbor Lights. So mark your calendars and

plan to attend. This is truly a wonderful annual function.

Start thinking about the 2006 Car Show and make plans on your calendars to help with this function. Remember, proceeds are donated to charity. Also ask merchants in your vicinities for items for the goodie Bags. Last year the bags were really full, so let's do the same this year. Mark Saturday, August 19, 3:00PM on your calendar to be at the Kenosha County Center to help stuff bags. This is a fun time and all who can are encouraged to join. A \$10.00 Car Show gift is asked of every member. We also need items for a Silent Auction. If a club member wishes to enter their car in the show just for viewing purposes only, a placket will be placed in the window stating "Do Not Vote For – Display Purposes Only". All entrants will be charged a registration fee.

The Bradford Cheerleaders are looking forward to this year's Car Show and will again be handling the refreshment booth.

Voting on club cars was discussed and tabled for voting on for next years show.

Motion made by Kim Manna and seconded by Sue Walther to adjourn the meeting. Meeting adjourned at 1:20PM.
