4. **Old Business**

- **A Secretary is still needed** – More on that later.
- **Because Dick Mueller has taken the Quarter Master position**, left an open spot for a Board member, so Scott Schneider has volunteered to fill the board position.
- **Power Tour in June** - Jeannie contacted the Racine County Visitors Bureau. The response was that they were taking care of the hotels, restaurants, etc was being taken care of by their organization and if they find something we can do, they will let us know. In that light, Jeannie will be contacting the Hot Rod Power Tour to see if they have any needs.

5. **New Business**

- **2009 WI Vette Clubs Caravan to Bowling Green for Corvette Museum Anniversary.**

Jeannie was contacted by Ivan Schrot of the Valley Vette Club to organize a caravan of the WI Corvette clubs to join up with Vette clubs from all over the US to the Corvette Museum's 15th Anniversary bash – September 3-5th, 2009. He understands it's pretty early to get this started but there is a lot to plan and needs contacts from the various WI vette clubs. Dick Krueger volunteered to be the contact. Jeannie will pass on Dick's contact information to Ivan.

- **Feb. Bowling party this Sat., Feb. 17th**

Dick Mueller is planning the bowling party this year. Dinner is planned for 6:30 PM at the Charcoal Grill; 8300 Washington Ave (Hwy 20) in Racine with bowling following at 8:30 at Paradise West Lanes located just a little ways away from the restaurant. The address for Paradise West is 6501 Washington Ave., (Hwy 20) Racine. If we have more than 12 members attending the dinner, reservations are suggested. We have 10 people signed up so far. We have 3 lanes reserved at the bowling lanes.

Call Dick at 262-639-5414 to sign up! It's a great time!

- **March 17th – Club Meeting and Party** at Dick & Connie's @ 6:30 PM
We decided to have the meeting and party all in one! Dick and Connie will be sporting their tans from their Jamaican trip and will keep up with the tradition of the membership party in March, which is usually around St. Patrick's Day but this year it lands on the special day.

Bring a dish to pass and be there at 6:30 PM!

- **"Tech Nights/Days"** – We discussed again the "Vette Tech" classes. Tom stated he could have one when he's ready to drop the body on the frame of his 63 and Dick Krueger stated he would love to have a "wet sanding" class on his vette he's slaving over!

- **Club Exchanges** – Member should keep in mind events we would like to exchange participation in with another club!

April Event- Steel Car run – Who would like to plan it this year????

May – Tom's traditional "Dust Your Car Off" run (Tom already has one place to visit)

We're looking for more ideas; of course June is the Hot Rod Power Tour.

Remember!

Bowling Party this Sat, Feb. 17th (see event listed above for details)

Also, the next meeting is March 17th, at Dick & Connie's for membership party also. (Bring a dish to pass and that don't mean your wives!)

Motion was given and passed and the meeting was adjourned at 8:05PM

President's corner:

Now that we're into a new year and as you can tell new ideas; we really need someone to "step-up" and be our secretary. Mariann's shoes will be hard to fill and as you can tell, I don't measure up by a long shot. I'm new at being the president and there are many others before me that I'm sure have done a better job at being the president, but I believe in our club and the things we do together, so I stepped up. We want to bring the news of the meetings and events to everyone to keep you updated but if we can't attain a new secretary, I cannot guarantee the minutes will be kept and posted. I hope we will have a member that will be the scribe for the club at the next meeting.

"The success of an organization is not measured by one but by many that participate and get involved"

Have a great week; see you at the next meeting!
