## President's Corner:

Well another month has passed and the first run of the season took place last Saturday. Scott and I couldn't go but from what I hear it was a great time, but then Tom's Vette runs are always an adventure. Be sure to read all about it in this newsletter.

The next planned car run is June 9th, Mike's 2nd annual "Deck Run" which will be a great time too I'm sure just like last year. Unfortunately Scott and I will be with our kids in Florida enjoying our new grand daughter. No she isn't born yet but she will be by then (I have the inside scoop from the doctor).

In case you haven't heard, BJ is recovering in a rehabilitation facility in Pleasant Prairie (SW of Kenosha). Here is an excerpt from Mary Ann's latest update...

"On Monday of this week, May 7th, BJ was moved to Grande Prairie Health Rehab Center, 10330 Prairie Ridge Blvd., Pleasant Prairie, WI where he has been put on an extensive rehabilitation program. His phone number is 262-612-2835 or cell 847-627-9464. Visiting hours are from 8AM-8PM if anyone would like to pop in and say "hello". I know he would welcome the visit." The idea was tossed around to make a car run out of a visitation to BJ, which I think he'd like to see new faces and will give Mary Ann a break. The poor thing has been running herself ragged so don't forget to drop her a line too as I'm sure she'd love to hear from anyone! We are all wishing the hastiest recovery for BJ, although he can rest assured that Scott has been filling in for him at the meetings with the "nay" votes.

Scott and I are planning on going to the Mecum's Collector car auction in Belvidere, IL on May 26th (depending on a call we get from Florida) so we might have a car run to that. We'll keep you posted. Have a GREAT month and don't hesitate to send an email if you want to plan a last minute car run, just email everyone! TTFN (Ta Ta For Now)

### Old Business:

**Tom Walther's Dust off Your car run was a huge success! It was Cinco De Mayo and Oh MY-O we had a lot of fun! We met at the Kenosha Co. Center and then went to a surprise tour of Five Star Race Car Bodies in Twin Lakes. It was a great tour that lasted about 1-1/2 hours. We were treated very nicely and everyone really enjoyed it. We all received stickers that looked like the logo below.**

After the tour we went to the Cactus Club in Lake Geneva, LaCabana in Paddock Lake, Tammy's in North Cape and we ended up in Kelly's Bleacher's in Burlington where Tom Walther and Mike Means remain the champs at horseshoes. We had a great dinner there too! The run included an excellent selection of scenic back roads and it was well planned.

### **New Business:**

Dick Mueller asked if the club could donate a \$100 to Focus on Communities in Racine. This is a hole sponsorship for a golf outing to benefit those with drug and alcohol addiction. The club voted in favor of this donation.

### **Mark your calendars:**
