MONTHLY MEMBERSHIP MEETING

June 30, 2007

The meeting was brought to order at 12:55 p.m. by Jeannie at Rutowski's house.

Secretary's Report – no board meeting

Treasurer's Report – contact Kim for balance information.

Advertiser's Report – no report

Quartermaster's Report – Dick mentioned that most of the special order T-shirts have been picked up. We still have shirts for sale, contact Dick if you would like to purchase one. Dash plaques and awards will be ready in mid July.

Visitor: WELCOME! – Tommy Nichols joined us for the Liberty Fest parade.

Kraig reported that all is moving along with final plans. There is a board/car show meeting planned at Manna's on July 13, 2007, starting at 7:00. Please bring along a snack to share and if the weather permits, chairs to sit outside. Everyone is welcome.

We are still in need of volunteers for the day of the show, so a sign up sheet will be circulated. Some issues on parking, ballet stuffing and general organization still need to be addressed.

SEWCC members need to register their cars by the August 5, 2007, meeting (held at Schneider's house), not at the bag stuffing the day before the show.

Peggy Graceffa will try to computerize some of our dash board number cards. Kraig has more flyers to be handed out at other car shows or businesses. Sue is sending to other car clubs in Illinois area. Jim is re-working the parking layout. Ed and Eva sent out letters to advertisers.

Dick Graceffa gave feedback on concerns for the pre-registration lines. Because they still need to be classified and receive a voting number, we still need to stop them before parking. After much discussion we believe we have come up with a possible solution. We will set up another table before the registration table to divide up the lines into regular and pre-registration areas. We hope this will expedite both of the lines.

Kim and Sue will handle this table with handing out forms and dividing up into the two lines.

REMEMBER to bring your door prize and we are in need of silent auction items. Also, please see if your employers or businesses will donate to the goodie bags. We would be in need of approximately 120 items if you want to put this item in all of the bags.

Dates Enjoyed:

Deck Run-The Mean's surpassed last years with the *Second Annual Deck Run*.

Nine cars followed along, winding on many roads throughout Wisconsin and Illinois (approximately 75 miles). We had a great

time, with great company, enjoyed a great dinner, and completed a great run. Chuck and Mary worked very hard to catch up with us but we seemed to stay one step ahead of them, maybe next time.

A special thank you to Nancy & Terry (Mean's daughter & son-in-law), who allowed us to sit on her deck, tour her house, and embraced us with open arms.

Power Tour-Terrible weather for this event but a few members ventured down to Racine's lakefront to enjoy the sights and sounds of the cars. "Very enjoyable"

A **NNOUNCEMENT** from Bloomington-SEWCC now has 2 more survivors. Manna's with their '62 and Graceffa's with their '76 both received the awards on Saturday. Congratulations to both of you, our club now has 4 total that have received the Survivor status. Maybe next year we will have more join this group.

Liberty Fest-The Mean's has put this candy throwing parade together for quite a few years. We had a great turnout with 20 cars in attendance. Mean's opened up their house for the pre-parade line-up and Rutkowski's held the post-parade/meeting. Many good recipes and much food was enjoyed by all.

Kenosha's July 1st Parade-The Manna's house was the gathering place for most of the 16 cars before the parade. In the front we lined up (Krueger's) red, (Bush's) white, and (Walther's) blue cars that were followed two-by-two in progression of the years manufactured. We had another great showing and after we went to the Boat House on the Kenosha harbor to enjoy a nice meal after a long day.

Our club was mentioned in the GET OUT section of the Kenosha News on Friday, June 29, 2007. We were mentioned as fan favorites of the parade, with over 100 units that is great advertising.

Dates to remember:

Fisher's Run-July 28, 2007 will be the date for this run. More details to follow. Fisher's will forward information to Dick Krueger for him to post as soon as they are available.

August 5, 2007-Membership meeting at Schneider's house. Watch for more details. Deadline for pre-registration of car's for show.

Labor Fest-Schneider's will post, watch for details.

Horizon Center Open House-Sue mentioned that Gateway would like to have some cars set-up for this open house. This is an all day event and they would like to have cars throughout the day for this show. Sue will be in attendance for the entire day.

Lake Geneva Poker Run-Krueger's will be setting up this event. The club attends this event on Saturday, September 29, 2007. We have money set aside to purchase extra hands and they will be collecting our individual money for the run at the August and September meeting (minimum hand is \$20 each).

Meeting was adjointed at 1:40 p.m.

Discussions after the meeting:

After the meeting there has been talk about having a fall run to Galena, Illinois. Please let us know if you are interested, there is a price break on rooms if we have 10 reservations.

Also, Darlene has been collecting information on planning a cruise in either January or February 2008. Updates to follow.

- A LITTLE HUMOR -

-This morning, I was in a huge hurry and on my way to work. I was pre-occupied with what my day held and I rear-ended a car at a stop light because I was not really paying attention.

-I had hot coffee in my lap and I was running late.

-"Great, just great", I muttered.

-The driver opened his door.... leaned out of his car and stared at me.

-He was a dwarf.

-He got out, studied the damage on his bumper, and walked towards me as I rolled down my window.

-He said, "I'm not happy"...

-To which I replied, "Well... which one are you then?"
