Car show : August 15th 2010

1. The show flyer was completed by Kraig and presented at the meeting by Jim. After some discussion, the only change to be made was the addition of a no trailer parking statement.

When the flyer is updated this completes the insurance application package that Jim will be sending in.

2. The parking lot reorganization was discussed. However little progress was made. Jim will work on a plan and make a proposal at the next meeting.
3. All of the t-shirts are in. Tom Andrekus passed them out at the meeting. If you did not get yours contact Tom.
4. Jim still has the sign up sheet for car show duties. If you have not signed up to be on a committee please contact Jim. We need all of the help we can get.
