Old Business:

Car Show 2010:

****Jim reports that it was a good year with
114 cars. This was down from last year
but wa a nice and manageable amount of
cars.**

****Pre-registrations were down (28) from
previous years. Maybe we should
consider sending a postcard instead of a
letter with an appliation.**

****It is great that we can use the Kenosha
County Center. Thanks to Kim for
arranging that.**

****The new location for the registration
table was good. Maybe some signage on
that table and the others would be a
good idea since show participants
frequently cam up to the registration
table looking for the ballots box, etc.**

****No one parked on the heli pad which
was a positive.**

****The Cheerleaders did a great job with
the food. There was plenty for all and a
nice variety.**

Thanks to EVERYONE who helped at the show!

****Deb did a great job at registration, meeting the cars and getting them signed up.**

****Rebecca and Tom Tobin ran the silent auction and door prizes and did an excellent job.**

**** Mike Graziano did a great job helping to park the Camero explosion.**

All in all it was a great show with beautiful weather!

Jim reported that he needs to retire from the Vice President/Car show Chairman this year. He did it for 3 years and has too many commitments in his personal life now. He will help out with the car show and other events, just not have the responsibility of the chairman. The members thanked Jim for the great job he did for the last 3 years.

Simmons Car Show in Kenosha was September 5th. Mike and Deb's car won the coolest muscle car. Congratulations!

Jim reports that Elkhart Lake American LeMans series race weekend was a lot of fun. The Corvette Corral was packed! The weather was pretty good with just a little rain.

Corvettes of Carlisle. Dick and Connie said that they had nice weather. There was some road construction on the way. Tom and Sue were there also. Connie's 1960 car won a celebrity choice award. Congratulations!
