MONTHLY MEETING MINUTES

MAY 4, 2003

The meeting was brought to order at 7:05 PM at Brewstermaster's South by club president Dick Krueger.

SECRETARY'S REPORT

No Board meeting, No Report. I did ask if everyone received their April newsletter & if there were any comments. The only comment was: "the calendar was nice but if it was hard to put in, don't worry about it." We'll see what happens the next time. Kraig Manna got it to work for me.

TREASURER'S REPORT

Approved as read. There was a discussion as to the time dues should be paid. They should be paid in December for the following year. The latest possible time is at the March meeting &/or the membership party held in March. If there is no payment received in March, that membership does not receive an April newsletter. The 2003 dues voted on at the December 2002 meeting are : \$30 cash + a car related door prize with a value of \$10.00 for the car show August 10th.

QUARTERMASTER'S REPORT

The car show shirt order is here. Mark distributed the special orders to those participating in Tom & Sue Walther's Dust off your car run on Saturday May 3. He will distribute more after the meeting tonight.

There are more T-shirts available at \$10.00 each to club members.

MONTHLY MINUTES- Continued

We extended a round of applause to Tom Andrekus and Mark Ackermann for the great design. Mark did a great job with the special orders – each order had an invoice attached.

Lori Andrekus asked if the club logo could be put on a denim jacket instead of the black, red or white silk ones. After some discussion it was decided that the old “rule” of only the club colors (black, red & white) was been lost along the way. Denim would be OK.

ADVERTISING REPORT

Bruce was not present. We did discuss the placement of car show ads. See the Car Show Report.

CAR SHOW

We have received the check & signed contract for the show from Hartnell. We have the signed DJ contract by Ray Gallo.

The discussion of where to advertise produced: Nothing in Milw., unless Hartnell does it. We'll try Lake County, Northern IL. and Lake Geneva.

Kraig has compiled a list of 298 names from previous participants and mailing lists of car shows. He asked if it would be a good idea to send out flyers once now and once again the 1st week of July. Or should it be only the 1st week of June as previously done? Because we are changing for the 3rd Sunday to the 2nd Sunday, it was agreed that would justify mailing twice. It was also asked if we had ever tried to keep track of where our participants are getting their information. It has not been done yet, but this is something we can keep in mind for next year's committee.

Kim brought flyers and distributed. If you need any give her a call. The flyer was in last month's newsletter.

OLD BUSINESS

MEETING PLACE/TIME

Sue called a few places and reported back that Ron's Place would let us have their lower level banquet room one Sunday a month.

Ron's Place
3301 52nd St
Kenosha WI
262-637-2419

Some questions were brought up about the meetings/place & time.

1 – Could we change the day of the meeting? At this time, it has proven the majority of the people attending have found Sunday the easiest day to meet.

2 – Could we change the City? This is always a possibility. At the January meeting, when we found out about the closing of Brewmaster's North, the search was put to all those in attendance to find a place open on Sunday nights that would not charge us. Seeing as Sue was the only one to come back with a suggestion, our next meeting will be held at Ron's Place.

3 – Could we make the meeting a part of a run when the run is on the day before the meeting? We did discuss this and will keep it in mind. There are times when club activities 2 days in a row are a lot of time. But it would mean the run would have to start at a place that could accommodate the club for a meeting.

Right now, Dick's expressed his concern for some stability in the place and time for meetings. With the initiation of the E-mail newsletter and meeting place changing, some members are very confused as to when and where we meet. At least keeping the 1st Sunday of the month is stable. Perhaps, Ron's Place will be just fine for us. We will be having the summer meetings begin at 7:00 PM-again to keep it the same all summer.

OLD BUSINESS Continued

JEFFERSON SWAP MEET

To Walther reports the other guys did lots of selling. They set up Friday and stayed in "THE RED BOX" until Sunday. They used Fred Taylor's trailer for sleeping. The only problem was when Jim Trentadue started snoring like he was sawing thru redwood. The temperature was 70's during the day and 30's at night.

DUST OFF YOUR CAR RUN

Tom & Sue had stops at 6 establishments. We began with a beautiful ride along Lake Michigan through Kenosha and Pleasant Prairie. We had a couple games of horseshoe played at one establishment. Tom W. kept complaining of the wind carrying his toss off target. I'm not sure who won. We wound up at a unique place called NITRO for our last stop and supper. The food was good, but the service was slow. The kitchen kept blowing the circuit breaker. The diners were given discounts for the inconvenience. **THANKS TOM & SUE.**

GRAYSLAKE

Dick said he didn't see much advertising for the kick off of the 50th Anniversary Celebration.. But he did find a guy with parts for a '62. Nothing Dick needed at this time-and the guy knew what he had \$\$\$\$. Dick also saw old club members- Craig Cone and Crash-Eric Davidson.
