## **Message from the President**

It's October already and my term is three quarters of the way complete. It doesn't seem that long ago we were having the chili dump at the Nevoraski's in January to kick the year off, wishing for warmer weather and wanting to get the cars on the road again. Summer is flying by and it's been full of events.

The people in this club opened their homes to members for meetings and we had runs throughout the year to keep us all busy. And we're not finished yet. There's still three plus months to go.

One standout highlight was the way the club pulled together and produced one of the best car shows ever. Now there was some teamwork. We had meetings, discussions, some of them very full of expression and big decisions were made, but it showed how passionate members are about the success of this club and this event.

Its incredible how hard everyone worked gathering materials for the goodie bags, door prizes and silent auction. This effort is what made the show a total success. My hat is off to everyone who participated.

After speaking to many, many people participating in our show, none had anything negative to say about it. Most said it's the most organized show they've been to this summer.

In a couple months we will be taking nominations for next year's administration. It would be good to start thinking about it now for all positions involved. As of this writing, I've decided not to run for a position next year. I want to concentrate on finishing my '63 Split Window and watch Kraig finish one of his '68's. We have a lot of talent in this organization and some new blood needs to be tapped to keep it moving forward.

Again, congratulations to all for an excellent year and a fun filled finish.

Sincerely,

Dubya
