Bloomington Gold Show being held at Pheasant Run, St. Charles, IL June 24, 25, and 26th was discussed. Hotels are almost impossible to find. A one day trip is possible. It is a **GREAT SHOW. TRY NOT TO MISS IT.**

No absentee ballots have been received by either President Andy Walther or Secretary, MaryAnn Messier on the matter for voting on members entering their car in the Car Show for show or voting. A motion was then made by Tom Walther and seconded by Walt Powell that it will be left up to the club member entering their car as to whether they want to have their car for show voting or viewing purposes only by placing a placket in the window stating **Do Not Vote For – Display Purposes Only** and that **ALL** entrants be charged a registration fee. Motion passed by a unanimous vote.

The topic of a Club Mission Statement, that was brought up by Lori Andrekus at the last meeting, was discussed and voted on. Since the SEWCC has had a 33 year old Mission Statement that works the members found no reason to change it. A motion was made by Walt Powell and seconded by Dick Krueger that the present Mission Statement remain as is. Motion passed unanimously.

“The Purpose of the SWECC, Inc. is to organize and promote fellowship and social contact among Corvette owners.”

No further business, meeting adjourned with a motion by Tom Walther and seconded by Walt Powell.

A note from the Secretary:

We have a good club with many good members. The teams all work well together with good socializing. Following is a little something I found while going through some old papers.

18 Ways To Wreck An Organization
(taken from an issue of Western States Council of Corvette Clubs)

1. Seldom, if ever, attend a meeting.
2. If you do, find fault with the work of the officers.
3. Never accept an office. It's easier to criticize than do things.
4. If asked to give your opinion on a motion, tell the chairman you have nothing to say. But say plenty after the meeting.
5. Do no more than is absolutely necessary. When others roll up their sleeves to help matters along, howl that the organization is run by a clique.
6. Never exercise your voting privilege, but shout that your opinion is never asked.
7. When a banquet is given, tell everyone that money is wasted on big, noisy blowouts that accomplish nothing.
8. When no banquets are given, say the organization is dead.
9. Don't tell the organization how it can help you; if it does not help you, resign.
10. If you receive service without joining, don't join.
11. Look out for something wrong, when you find it, yelp.
12. At every opportunity threaten to quit and get your friends to resign.
13. When you attend a meeting, vote to do something, then go home and do the opposite.

14. Agree to anything said at the meeting, disagree with it outside.
15. When asked for information, don't give it.
16. Curse the organization for incompleteness of it's information.
17. Get all the organization gives you, but don't give it anything.
18. And, kick about the cost of membership, though the weekly cost to you is actually negligible.
