MONTHLY BUSINESS MEETING

August 7, 2005

August Membership Meeting was brought to order at 4:00PM Saturday, August 7th by President, Andy Walther at the home of Kim and Kraig Manna, Kenosha, WI. Meeting started with the introduction of new members Ed and Eva Stafanski, driving a red '79 vette and visitor, Chris Nielsen driving a Silver Anniversary vette. It was a beautiful, warm, sunny day for a meeting. The Manna's opened their home to the group for a fellowship picnic following the business meeting. **Thank you Kim and Kraig for a Wonderful Afternoon.**

OLD BUSINESS

Following introductions, Dick Krueger gave a report on the summer trip "Vettes On The Rockies" at Beaver Run Resort, Breckenridge, CO. Two cars from SEWCC went, the Krueger's and the Messier's. The Looking Glass Club did an excellent job on this event with host hotel (Beaver Run Resort) employees going out of their way to

help out the over 900+ vette owners. Dick mentioned this event was one step above the South Dakota trip of last year, even though that trip was exceptional too. The event started Thursday afternoon at the registration desk with many outstanding clothing items and great T-shirts for sale. That evening the group attended an all you can eat food bar (not one bar but sets of three different bars containing Mexican, Asian/Pasta/stir fry and Western BBQ with an array of desserts located in four or five locations throughout the ballroom). If someone went away hungry, it was their own fault. The Friday event was a Rally where one was given a piece of paper with directions and items to located along the way, write them down on a piece of paper and at the end, given four questions to answer. Every car was on their own. Paths would cross with the meeting of different people at different places, so it kept the day interesting. One of the highlights of the day was a free ski lift ride up Copper Mountain, about 10,000 ft above sea level. Quite a drop when you would glance down. The view was awesome. Friday evening banquet was handled with precision service and food presentation was that of a gourmet dinner. There were 600 people attending the sit down dinner in one ballroom with the over flow of approximately 200 people seated in Spencers Resturant. The predetermined food selection of Prime Rib, Chicken, Salmon, or Pork was outstanding and very tasty. Entertainment followed consisting of an impersonator who did Elvis (who else), Buddy Holly, Ringo Star and a western star. Saturday there was a Funkarama that appeared to be fun, however, the SEWCC duo decided not to participate, each going their own way for the day. Saturday evening a group of corvetters SEWCC duo had become acquainted with went down town on the hotel shuttle to Bubba Gump's for dinner, returning to BR in time for the awards of the previous two days events and an ice cream social hour. Sunday's last event of the weekend was a "Show and Shine" event down town Frisco, CO. with awards given out at 2PM after a slight afternoon shower. (the first rain since being there) We were blessed with beautiful weather the whole trip.

Report of Car Show registrations was given by Connie Krueger with 30 non-member cars and 5 member cars already registered for the August 21st Car Show.

Upcoming events discussed were as follows:

Racine Zoo Car Show 8/14/05
Goodfellow Show @ Waukesha 8/14/05
Scoop The Loop, Racine 8/16/05

Money to be distributed to the military families was discussed. MaryAnn Messier made a motion to pay out of the money allotted for the Genoa City family, the full utility bill after calling for the exact amount with any late charges tacked on in order to bring this bill current for the family. Dick Krueger second the motion.

Jeannie Schneider mentioned there is a site on the internet to find needs by military personnel. The site is: www.anysoldier.com All are invited to check it out for items needed by soldiers overseas.

NEW BUSINESS

As a reminder, Bag Stuffing for the Car Show will be at 4:00PM at the Kenosha County Center on Saturday, August 20th. Sunday, August 21st is the car show and all the help they can get is needed and will be appreciated. Many hands make light work. After the car show everyone is invited to go to Jeannie Schneider's for a dip in their pool to cool off and relax.

B.J. Messier will be running the Silent Auction with help from all the SEWCC members. So far the club has one \$100.00 savings bond from AMC, three \$25.00 gift certificates from Vette Brakes, Leather Saddle Bags, and some Jacking Pucks. If anyone needs a Letter of Introduction when asking a company for donations, feel free to email one of the club offices for it.

Unlike last years show, parking of all vettes will be up front with the steel cars being parked in the back on the grass. Jeannie Schneider will handle the changing of the parking diagram for the show.

Class AA775-800 for C6 will be added to the classification and voting ballot.

Building and grounds signs will be assembled by Walt Powell, Tom Walther and Jeannie Schneider.

Instead of giving money as door prizes, it was unanimously decided to buy \$10.00 gas cards.

A Board Meeting was set for Monday, 8/15/05 at Dick and Connie Krueger's home @ 7:00PM.

The Door County Run is still in the planning stage and should take place the 1st or 2nd weekend of October.

The Poker Run sign up sheet was passed around. This will be held Saturday, September 24th in Lake Geneva. The cost is \$20.00 a car for three hands (of course you can buy more hands at \$20.00 if you choose). When combined with the club, you can end up with 7-8 hands. **Money for the Poker Run needs to be to Dick Krueger no later than September 11th.**

Next monthly meeting will be September 11th, 7PM at Ron's Place, Kenosha, WI.

It is time to start planning for the annual Holiday Dinner Event. The club would like suggestions of where you would like to have it and present your ideas and locations at the next meeting in September. Pass dinners have been held at The Boathouse, The Chancery On The Lake, and Bakerstreet. Members are to bring before the group the location and cost of a hall to be voted on **before any commitment or contract is signed.**

Depending on the Holiday Dinner location, Dick and Connie Krueger are planning to host the pre-dinner party and Sue and Tom Walther the post-dinner party.

No further business, motion made by Tom Walther and second by Dick Krueger to adjourn the meeting.

SECRETARIES CORNER

Results and Roses

The man who wants a garden fair,
Or small or very big,
With flowers growing here and there,
Must bend his back and dig.

The things are mighty few on earth
That wishes can attain.
Whate'er we want of any worth
We've got to work to gain.

It matters not what goal you seek
Its secret here reposes:
You've got to dig from week to week
To get Results and Roses.
